PRESIDENT'S REPORT

A lot has been happening behind the scenes. Your committee has been very busy putting together lots of interesting and exciting events for you.

RAS new website is now live. A big thank you to Shelley Jackson for all the many hours of hard work in achieving this result. It has a very modern look, it is fresh, bright & easy to navigate.

Pat Reid, our founding member celebrated her 90th birthday at RLI surrounded by many friends. We could not let her skip past without acknowledging all her efforts & amazing achievements.

RAS has set up a permanent exhibition at RLI which is our Monday studio venue. Members are able to display their art works which will be rotated every 3 months & are all for sale.

This month Niki Koepl has run two wonderful demo/workshops at our Monday studios which all enjoyed, and lots of lovely work was produced.

For CASS Art Direct in October, we have booked our exhibition at the TAP Gallery in Surry hills.

Also in October, Catherine Hamilton, a well - known Melbourne based artist has agreed to run a Sunday workshop for our members. This popular workshop will be filled quickly so please call me to book .

We are also going to Participate in Sydney Children's Hospital Exhibition in December. Details to be issued closer to the date.

The CASS Art of Sydney exhibition for 2019 is also coming up. Entry forms have also been sent out to members wishing to participate which gives plenty of time to complete their works.

Please see flyers/further details below for upcoming events.

Workshops/Demos

Niki Koeppel facilitated an Oil & Acrylic painting class at RLI over 2 Monday Studio days in September. All members were encouraged to participate in the activity & the turn out was very successful. There was a prepared lesson which the majority of members partook. Some other members had worked on their own artworks as a preferred option. "Some great work, and such a helpful lesson. I'll have to try to finish mine" said by one of our members.
