

## EMERGENCE ART EXHIBITION

4 August – 20 September

BOWEN LIBRARY, MAROUBRA

Randwick Art Society Inc has been offered an art exhibition at the Lionel Bowen Library at Maroubra. As there is currently social distancing in place, we will be following all the regulations required to ensure a safe environment up to and during the exhibition.

This means that members of the public can currently visit Maroubra Library but will need to give their name and address when visiting.

We need to be aware of any changes to the regulations for Covid-19 and need to follow the Library and Council requirements.

This is the first exhibition that Maroubra Library is holding since lockdown, so we are delighted to be able to show the talents of members of our Society.

As there is limited space available at the Library, we need to limit the number of artworks that can be shown.

We therefore have to limit the number of paintings for each financial member to (1).

Should you be not financial, you are welcome to renew your membership prior to entering this exhibition.

### **Sketch-A-Day artwork on Television Screen in Library**

Many members have been contributing to the Sketch-A-Day pages on our website during the lockdown. The Committee would like to showcase the wonderful work that has been sent in, and we have the opportunity to use the television screen in the Library wall where we can show all the Sketch-A-Day "Assorted" and "Out and About" artwork.

We intend to show the work on a continuous powerpoint show. If anyone who has entered their work on the website and does not wish their work to be displayed, please advise us.
